

A background image of various green succulent plants, including types like Sedum and Echeveria, arranged in a dense, overlapping pattern. The plants are in shades of light green and teal.

# OPENING ACCESS TO POWER

## 30.1B

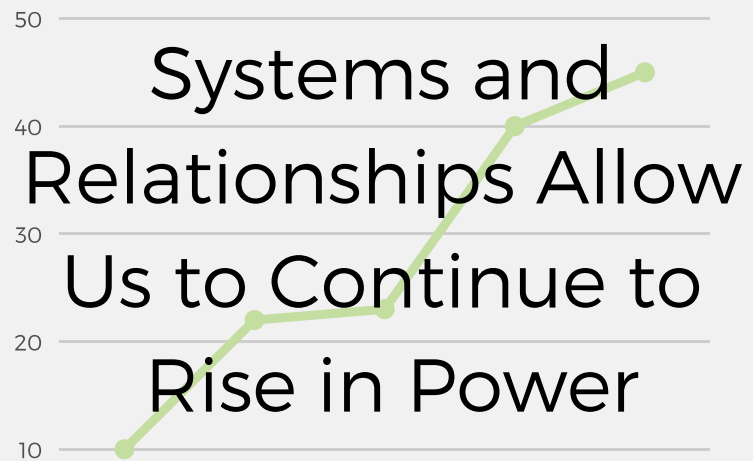

### DEVELOPMENT DOLLARS

This is the amount of published money that has passed through the City of Atlanta in the past 5 months.

## 39%

### IN MINORITY COMMUNITIES

Our communities are being impacted.

## 100%

### POWER MAXIMIZED

We are able to create and execute systems that increase the responsibility of development firms as development continues in the city and through the country.
